LOGICAL REASONING CHAMPION

In addition to sharpening logical reasoning, pattern recognition, and critical thinking through this contest, Each participant will get 6 FREE foundational math classes to support their overall skill development.

February 22, 2026

<https://www.bayareachampion.com/Workshops>

Our vision is to create a welcoming space where every child grows at their own pace, discovers their strengths, and builds confidence through curiosity, exploration, and joyful learning.

<https://www.bayareachampion.com/Workshops>

Funds will be used:

- For running the event smoothly
- Providing certificates , medals
- Providing support to needy families
- Enable content creation and staffing for starting Logical Reasoning programs at various locations

Locations: Fremont, Milpitas, San Jose, Cupertino, Dublin, and Mountain House
